Introduction

- "Simone Bramante's whimsical images, created both in and out of the camera, are the mark of a visual storyteller for whom nature is a constant inspiration."

Forbes

Today he deals with off & online contents, brand repositioning, networking with the best talents, writing brand stories, through video, photography and social contents.

In the last decade, his work has been featured in Vogue, Huffington Post, Wired, Fubiz, Travel + Leisure, Withnews Japan, Buzfeed, Forbes and many more.

On social media, he's known as @brahmino, with over a million followers.
